To

Sir,

Subject :- Continuance of Mr. C.I. Machia as Special Officer, Fuel Supplies, Bangalore City.

With reference to your letter No. 3908/A. 76-45-8 dated 27-12-1945 on the above subject, I have the honour to state as follows:-

Although the position as regards supply of fuel has improved to some extent, I do not agree that the time is as yet ripe for Government to divest themselves of the fuel trading operations. I am of opinion that the fuel position will ease only when the food position eases and that a premature handing over of the fuel trade to private people would adversely affect the situation leading to a possible recurrence of the conditions which rendered the intervention of Government necessary in this behalf in the first instance. Further, nearly sources of supply of fuel have become depleted and supplies are being arranged from distant places like Nanjangud, Chamarajanagara and Shimoga.

In the circumstances, I request that sanction of Government may be kindly obtained to the continuance of Mr. C.I.Machia as Special Officer, Fuel Supplies, Bangalore City till the end of June 1947, when the position will be reviewed.

The question as regards the need for the continuance or otherwise of the agreement with the fuel supply company for a further period is separately under examination and a report in the matter will be sent up in due course.

I have the honour to be
Sir,
Your most obedient Servant,

Director of Food Supplies.
